

PROJECTMOVE

Thank you for your interest in our competition teams. Teams are designed for dancers ages 6-18. We are pleased to offer three competitive programs - Company, Elite and Artistry in Motion (AIM). All teams receive training in ballet, jazz, contemporary, hip-hop, strength/flexibility and acro. We also offer additional classes in pointe and tumbling. Competition students will compete at multiple competitions throughout the year as well as perform in our Christmas Recital, Competition Showcase, and Spring Recitals. Each year auditions are held to determine correct team placement. Please remember that dancers are placed on a team that will be challenging and promote the most growth. Dancers may not necessarily be placed on a team with their friends. If you are a returning team member, you must have 80% attendance in all classes from the previous year in order to be eligible to audition again. Acceptance to a competition team is a year long commitment – June 2024 through May 2025. Please let us know if you have any questions. We look forward to having you join us for our new season.

We have some wonderful optional opportunities this year - Disneyland and Nationals.

The Disneyland Experience is open to dancers on our 2023-2024 Mini Elite team and above. Dancers will perform a 25 minute program on a Disney stage and attend a workshop. Choreography and rehearsals will be held in August and September. Travel days are October 16th-20th (over Fall Break).

Nationals is open to all AIM Teams and Senior Elite. Dancers will compete in Las Vegas at a National Competition. June Rehearsals/Boot Camp are required. Competition will be the last week of June/1st week in July. More details to come.

FREQUENTLY ASKED QUESTIONS

How does summer schedule work? Our competition dancers summer hours are MANDATORY. This tuition is a one time fee that covers the entire summer. We offer two summer sessions. Session 1 - June 3rd - June 20th. Session 2 - July 8th - July 26th. Classes for each team are offered 2 days a week. (Mon/Wed or Tues/Thurs). Dancers can choose which days to attend during the summer sessions to complete their requirements. You can miss a week, come one day one week, etc. We try to work around as many summer schedules as possible. If your child is unable to attend the summer hours as indicated we have makeup options that we can give you or you can pay one of our teachers to teach your child private lessons.

If my child auditions for a competition team when will she find out the results? Results for competition teams will be sent out on Friday, May 31st. You will receive an email with the team that we have placed your child on. You will then need to respond to the email to accept your child's placement on the team. Response emails (accept or decline) are due by Sunday, June 2nd. Upon acceptance - you will receive your child's summer schedule as well a request for vacation days in August so that we can try to plan choreography dates.

When will I receive the Fall Schedule? Our goal is to get the Fall Schedule/Choreography Schedule to you as quickly as possible so that you can plan ahead. We hope to have this information to you by the end of June.

If my child doesn't want to go to Nationals will she be placed on a lower team? Each dancer will be placed on a team based on their individual skill level regardless of whether you attend Nationals or not. If your dancer is placed on an AIM team and chooses to not attend Nationals she will do 3 routines. The only difference will be the number of routines she competes in during the year.
