

PROJECTMOVE

Thank you for your interest in our competition teams. Teams are designed for dancers ages 6-18. We are pleased to offer two competitive programs - Company and Artistry in Motion (AIM). All teams receive training in ballet, jazz, contemporary, and hip-hop. Company/AIM students will compete at multiple competitions throughout the year as well as perform in our Christmas Recital, Competition Showcase, and Spring Recitals. Each year auditions are held to determine correct team placement. If you are a returning team member, you must have 75% attendance in all classes from the previous year in order to be eligible to audition again. Acceptance to a competition team is a year long commitment – June 2023 through May 2024. Please let us know if you have any questions. We look forward to having you join us for our new season.

FREQUENTLY ASKED QUESTIONS

1. How does summer schedule work? Our competition dancers summer hours are MANDATORY. This tuition is a one time fee that covers the entire summer. We offer two summer sessions. Session 1 - Mondays and Wednesday June 5th - June 22nd. Session 2 - Tuesdays and Thursdays July 10th - July 28th. Classes are scheduled right after each other - for example on each day there is a ballet and jazz class offered. Dancers can choose any days during the summer hours to complete their requirements. You can miss a week, come one day one week, etc. We try to work around as many summer schedules as possible. If your child is unable to attend the summer hours as indicated we have makeup summer days that we can give you or you can pay one of our teachers to teach your child private lessons.
2. If my child auditions for a competition team when will she find out the results? Results for competition teams will be sent out on Saturday, May 27th. You will receive an email with the team that we have placed your child on. You will then need to respond to the email to accept your child's placement on the team. Team acceptance emails are due by Monday, May 29th. Upon acceptance - you will receive your child's summer schedule as well a request for vacation days in August so that we can try to plan ahead for choreography. If your child is currently on our Nationals Team and auditions again - your child's team placement will be given out July 10th after Nationals. We want our dancers to focus on finishing out the season.
3. When will I receive the Fall Schedule? Our goal is to get the Fall Schedule/Choreography Schedule to you as quickly as possible so that you can plan ahead. We hope to have this information to you by the end of June.
